Re: Student/Athlete Participation

This letter is to inform you that a soccer player from your school will participate in the adidas FC Dallas College Showcase presented by Advocare on March 2-4, 2018.

The 8th annual adidas FC Dallas College Showcase presented by Advocare brings together the tops boys and girls teams from across the USA, Mexico and Canada to showcase their soccer ability in front of over 300 college coaches/scouts.

These college coaches are looking for prospective student-athletes.

Players may miss school on Thursday March 1st due to traveling and Friday due to travel or playing in the college showcase. We ask for your cooperation in this matter as this event provides a great opportunity for these soccer players to be evaluated by college coaches and prepare for their future.

More information on this event can be found at
